Copaxone® 20 mg Billing Update

Effective September 26, 2014, the billing units for Copaxone® 20 mg kit (NDC 68546-0317-30) changed from 1 kit containing 30 syringes to 30 ML solution for injection.

Claim Billing Field	Prior to Change	Post Change
Quantity Dispensed (442-E7)	1.000	30.000
Days Supply (405-D5)	30	30
Unit of Measure (600-28)	EA	ML

Nevada Medicaid has updated the quantity limit to allow 30 ML to be submitted where the previous quantity limit was 1 EA kit.
